## DR. TUTT'S EXPECTORANT.

IN 5 OZS. AND \$1 BOTTLES.

Its properties are Brompton, Nutritive, Balsoming, Soothing, and Healing. Combining all these qualities, it is the most effective LUNG HALLUCIAL ever offered to sufferers from pulmonary diseases.

Dr. J. F. HAYWOOD, of New York, volun-

teously induced me. Read what he says:

New York, Sept. 19, 1857.

Dr. Tutt: Dear Sir.—During this year I treated one hundred cases of lung diseases. In the lower part of the city the cases were of a very severe type. It was then my attention was called to Tutt's Expectorant, and I confess my surprise at its wonderful power. During a practice of twenty years I have never known a medicine set so promptly and with such happy effects. It instantly subdued the most violent fits of coughing, and invisibly cured the disease in two days. I cheerfully endorse it as the best lung medicine I ever used.

A NEWSPAPER PUBLISHING WRITES

Office Evening News, August, Ga., etc. That House—My little son was attacked with pneumonia last winter, which left him with a chronic cough that lasted till within a month since, for the cure of which I am indebted to your valuable Expectorant. I had tried most everything recommended, but none did any good until I used your Expectorant, one bottle of which removed the cough entirely. With many thanks, I am yours truly,

JOHN M. WHOLEY.

AND THE RIBBON NIGHT-SWATER.

Memphis, February 11, 1857.

Dr. Tutt: Sir—I have been suffering for nearly two years with a severe cough. When I commenced taking your Expectorant I was reduced to one hundred and sixteen pounds in weight. I had tried almost everything; had visited physicians, I have taken half dozen bottles of night-sweat, have lost me, the night-sweat imposed, and I have gained fifteen pounds in three months. A recommendation to it will save me.

IMPORTANT QUESTIONS.

Doctor, have you caught a cold? Are you liable to raise the plague? Have you an infection in the throat? A sense of oppression or difficulty with short breath? Do you have a cough on lying down? A sharp pain and tightness in the heart, shoulder, and back? 12 to 14 ADVICE IS TAKEN.

Tutts' Expectorant, please a doctor to tell the tale of Tutts' Pill. You will soon find it a pleasant sleep and wake up in the morning cough gone, bones working freely, easy breathing, and the bowels moving in a natural manner. To prevent a return of these symptoms use the Expectorant several days.
